Meeting Minutes

Meeting number:

Date: 05/04/2019
Duration: 50 minutes

Attendees:
Soëtard Garcia, Pablo Ernesto
Marcos Martin, David
Cabria Fernández, Julio
Sanz Calvar, Juan Luis

Agenda (items to be addressed):
Today, in the last meeting we have checked if we have achieved the objectives planned for the second week. However, we have some warnings in dogygen that we are going to solve this week. Nevertheless, we have been able to solve the problems making opaque the game module. Finally, in the rest of the week we did not have problems with it. Therefore, this last week we believe that we can finish the project. We are going to make the logfile with different commands, modify the makefile and the data to put description to spaces and objects and finish the documentation.

Addressed items and decisions taken	Responsable and due date
logfile	Sanz Calvar, Juan Luis
new description field for space	Cabria Fernández, Julio
Makefile	Soëtard Garcia, Pablo Ernesto
Doxygen and Gantt diagram	Marcos Martin, David

Meeting feedback. Issues to improve: If there are any problems, we will help each other to finish it.

Items to address in the next meeting: We think that after this week we will be able to finish the whole practise. Therefore,,we will not meet again for this iteration
